EQUIPMENT PROVIDED

Fair Setup: Each stand will be supplied with: 1 table and 2 chairs; 1 electricity point; 2 spotlights (or 1 fluorescent light) and 1 fascia (name) board above each stand. Corner sites will be open to the aisles, with fascia overhead. If you require additional furniture, please email us, and we will contact the stand construction company and obtain a price for the additional items required. Please remember to bring a travel adaptor or plug converter, as we don't provide them.

Unless it is a corner stand, your stand comes fully fitted with 2 side walls and a back wall. Please click [here](#) for further information and a layout diagram of the stand.

Panels: Double sided tape or similar may be used, but must be removed by exhibitors at the end of the exhibition. Under no circumstances must anything be nailed, screwed, glued or painted onto the panels or metal framework of the stand. **Any damages will be charged to the exhibitor.**

All stands must be clean and ready 30 minutes before the opening of each event. No packing materials or goods will be allowed inside the hall after that time.

OPTIONAL SERVICES

■ TRANSLATORS/STAND ASSISTANTS

Translators have proved very popular for institutions that do not have personnel who speak the local Asian languages. They are also invaluable for institutions only sending one person, as you will have an extra person to help during the peak periods and allow staff to take breaks without missing potential enquiries. If you are interested in ordering a translator, please order through the EIS, in the Extra Services section. Bilingual translators cost **USD \$130** each for one-day events and **USD \$260** for two-day events.

■ INTERNET

Internet is included at all venues. The username and password for the Wi-Fi network will be provided on the day of the event.

■ BMI SMARTSCAN APP

The app works on smartphones and tablets and allows you to collect detailed student information in real time. With one touch, you will have access to the name and full contact details of each scanned student, as well as key information including which course and country the student is interested in and the date they plan to begin their course abroad. You will also be able to add comments and rate the lead by priority. Your database will be ready for follow up the moment you finish the fair. A week prior to the event you will receive a document with full instructions on how to download and use the app.

If you are not allowed to download this app or have any issues with it, please contact asia.ops@bmiglobaled.com to arrange an alternative solution.

Click [here](#) for app instructions.

SEMINARS

The 30-minute seminars (including presentation and Q&A) present institutions with a unique opportunity to promote their programs to a mass audience. They are designed to inform the students, parents and executives about the institutions, courses and countries represented at the fairs. The following items are provided in the seminar room: a laptop, projector and screen, microphone and speakers. All seminars can be ordered using the EIS, in the Extra Services section. Seminars are **USD \$700** per seminar per city, subject to availability. There are no seminars at school visits.

CATALOGUE ADVERTISEMENTS

A catalogue is emailed to all pre-registered guests and visitors to the fairs, and widely promoted on our social media accounts. We recommend that you enhance your free listing with an appropriate advertisement, which will have a greater impact on your presence at the fairs and will continue to promote your institution after the event. If you want to book an advertisement in the catalogue, please do it through the **EIS**, in the Required Documents section.

Your advertising material should be sent in high resolution 300 dpi PDF format to asia.ops@bmiglobaled.com before **1st September 2025**. (Please add a 5mm bleed and crop marks on each page).

SPACE	PRICE (USD)	SIZE in mm (W x H)

Full Page	2,400	A4 - 210 X 297

FULL COLOUR GRAPHICS FOR YOUR STAND

You may have seen many institutions at recent fairs decorate their stands with full colour graphics printed directly on to the stands. This not only looks professional and attracts many more visitors to the stand, but also avoids the need to carry or ship display material and spending time decorating the stand.

International institutions usually ship expensive stand displays or bring them when they travel to the event. Normally, they do not know local suppliers, who often cannot issue proper receipts or only accept payment in local currency.

BMI has therefore negotiated with suppliers in each city for you to take advantage of having full colour printed panels so that your stand is ready when you arrive. The cost for panel printing is USD 140 per panel. This service can be ordered on the **EIS**.

Please note panel print sizes are 0.95m wide x 2.40m high in Jakarta/Hanoi and 0.975m wide x 2.23m high in HCMC. Artwork should be supplied exactly to these dimensions and the final PDF file must be supplied at 100 DPI. All artwork should be emailed to asia.ops@bmiglobaled.com before **1st September 2025**. You must send a different file for each panel, and please provide a panel location guide ([example here](#)), so we know where each panel fits.

You can see some typical examples of panel [printed stands here](#).

■ PRINTING IN ASIA

You may also choose to print your material in Indonesia or Vietnam and have it on your stand when you arrive. Printing in Asia with BMI will help you make huge savings in shipping costs, avoid any customs issues, taxes or delivery problems.

If you are interested in printing locally, please fill out the form to request this service through the EIS, in the Printing Service section. We will then get back to you with a quotation or request any additional information we may require.

The Deadline for this service is **1st September 2025**.

SHIPPING INFORMATION

■ APPOINTED FREIGHT COMPANY

BMI highly recommends the services of Air Concepts, used by many educational institutions for shipping of materials to international exhibitions worldwide. Air Concepts will pick up and ensure that your material is delivered directly to the fair venue. Please contact AIR CONCEPTS directly for rates and further instructions.

You may also use one of the three following methods to ship material to the Asia events:

- We urge all exhibitors to bring all (or as much as possible) of their display and handout material with them when they travel to the event.
- Exhibitors having representative partners in the country of the event may wish to ship material directly to the representative.
- You may ship material direct to each city following the instructions below through DHL, Federal Express, UPS or any other major air courier company. **WE DO NOT RECOMMEND TNT or a local MAIL SERVICE.** Please ensure that the air courier company you use has an official representative in Indonesia and Vietnam and that you have the contact details of the representative.

■ OTHER SHIPPING COMPANIES

If you are not using AIR CONCEPTS, you must input all the information on how you shipped your material along with the airway tracking numbers into the EIS system.

BMI staff will not be able to help you on the day of the fair.

Once you have shipped your materials, please enter the tracking information for each box under the “shipping and tracking” section of the EIS. We will closely track your shipment and inform you if there are any problems during customs clearance.

To ensure a smooth and timely delivery of your event materials, please carefully follow the shipping instructions in the exhibitor manual and use the shipping labels provided (available to download on the EIS dashboard). Please note that this is extremely important as customs regulations can be strict, so it is crucial to follow each step described in the manual.

BMI or the designated parcels’ recipients are not responsible for any delays or complications that may arise during customs clearance.

HIGH SCHOOL VISITS

Each participating institution is provided with a table and one chair. You may decorate your table in any way you wish, and one pop-up banner is permitted to be displayed, as long as it does not interfere with the visibility of any other table during the high school visit.

Your registration only entitles one person to participate in the high school visits, unless you have booked an extra participant. If you wish to book an extra participant, please contact your sales representative.

Transport to and from all schools is provided and will start and finish from the pickup point at the official hotel in each city (see [page 5](#) for list of official hotels). If you are not staying at the same hotel, please make sure you arrive at the pickup point in good time, as we leave promptly. We are on a tight schedule, so any delays will affect the whole day's schedule.

If you wish to ship any materials please check the shipping information chapter starting on page 8.

Setup: School visits are held in a school hall, gymnasium, library or similar room within the school. In general, you will be provided with a table and chair, and you can bring along a pop-up banner which must be placed behind your table and not encroaching on neighbouring exhibitors or in the way of student flow. Some schools may provide a Wi-Fi connection or may prohibit the use of phones or any type of recording device.

LOCAL INFO

We recommend using a ride-hailing app like Grab to get around Vietnam and Indonesia. This is a convenient and affordable way to travel, and it can help you avoid the hassle of haggling with taxi drivers. The app is easy to use and you can pay in cash or with a credit card.

Please make sure you check your mobile phone operator's T&Cs before travelling, so you can have access to the internet at all times. E-sims are an alternative and can be purchased globally. These will give you access to a virtual sim card connected to a local number (usually Data only).
