2. OPTIONAL SERVICES

Translators / Stand Assistants: Translators have proven very popular, especially for institutions that do not have personnel who speak Portuguese. They are also invaluable for institutions only sending one person, as you will have an extra person to help during the peak periods and allow staff to take breaks without missing potential enquiries.

Translators or stand assistants can be arranged at a rate of US\$ 130 per day (except for São Paulo - US\$ 260 for both days). If you are interested in ordering a translator, please order through the [EIS \(Extra Services Section\)](#).

AV Equipment Rental: AV services must be ordered directly with BMI. Please e-mail fernanda@bmiglobaled.com your request.

Internet: Internet in São Paulo and Brasília ONLY should be requested using the [EIS](#). Internet service in Rio de Janeiro Copa and Barra, Salvador, Campinas and Curitiba is included. COST: The internet in São Paulo is US\$ 100 dollars for both days and in Brasília is US\$ 60 dollars.

3. BRANDING YOUR INSTITUTION

Seminars: The 30-minute seminars present institutions with a unique opportunity to promote their programs to a mass audience. They are designed to inform the students, parents and executives about the institutions, courses and countries represented at the fairs.

The following items are provided: a laptop, projector and screen, microphone and speakers in the seminar room. All seminars can be ordered using the [EIS \(Extra Services Section\)](#) and are subject to availability. The price of a seminar is US\$ 850 for São Paulo and US\$ 450 for the other cities.

Catalogue Advertising: A catalogue is sent to all preregistered guests and visitors, and widely promoted in our social media accounts. For Salão do Estudante, a printed version will be given to all visitors at the entrance of the fair.

We recommend that you enhance your free listing with an appropriate advertisement, giving greater impact to your presence at the fairs and which will continue to promote your institution after the event. If you want to book advertising in the catalogue, please do it through the [EIS \(Required Information Section\)](#).

Your advertising material should be sent to priscilla@bmiglobaled.com in PDF Format, High Resolution 300 dpi, before February 23rd. Please add 0.5 cm and cut marks on each side for bleeding.

SPACE	SIZE	PRICE
Half Page	21 cm (w) x 14.8 cm (h)	US\$ 1,200
Full Page	21 cm (w) x 29.7 cm (h)	US\$ 2,400
Double Page	42 cm (w) x 29.7 cm (h)	US\$ 4,480
Inside Front Cover	21 cm (w) x 29.7 cm (h)	US\$ 3,500
Back Cover	21 cm (w) x 29.7 cm (h)	US\$ 4,000

4. EQUIPMENT PROVIDED FOR THE SALÃO FAIRS

STAND CONSTRUCTION

Equipment provided: Each 6 meters stand will be supplied with: 1 table and 2 chairs; 1 electricity point; 2 spot lights and 1 fascia (name) board above each stand. Corner sites will be open to the aisles with fascia overhead. If you require additional furniture, please e-mail fabio@bmioglobaled.com and he will contact the stand construction company and obtain a price for the additional items required. Please remember to bring a travel adaptor or plug converter as we don't provide them.

Unless it is a corner stand, your stand comes fully fitted with 2 side walls and a back wall. Please [click here](#) for further information and a layout diagram of the stand.

Panels: Double sided tape or similar may be used but must be removed by exhibitors at the end of the exhibition. Under no circumstances must anything be nailed, screwed, glued or painted onto the panels or metal framework of the stand. **All damage will be charged to the exhibitor.** All stands must be clean and ready 30 minutes before the opening of each event. No packing materials or goods will be allowed inside the hall after that time. Please keep in mind that panels are 0.95 meters wide x 2.10 meters tall.

FULL COLOUR GRAPHICS FOR YOUR STAND

You may have seen many institutions at recent fairs decorate their stands with full colour graphics printed directly on to the stands. This not only looks very attractive and attracts many more visitors to the stand but also avoids the need to carry or ship display material and spend time decorating the stand. International institutions occasionally ship expensive stand displays or bring them to Brazil. Typically, however, local suppliers cannot speak English, issue proper receipts or only accept payment in local currency, meaning our service is far more straightforward and safer.

BMI has therefore negotiated with suppliers in each city so that you may take advantage of having full colour printed panels so that your stand is ready when you arrive. For the São Paulo fair, the cost for the panel printing is US\$ 135 per panel and US\$ 120 for the other fairs. The counter printing is US\$ 200 and includes the printing for the front panel, the counter itself and a stool. You can see some typical examples of panel printed stands [here](#).

If you would like to book this service, please refer to the [EIS](#) or using [this form](#), where you can also find further details on how to send the final artwork to us.

GDPR AND THE BMI SMART SCAN APP

Lead management and particularly the contact information you collect at education fairs are crucial components of any student recruitment campaign.

The BMI SmartScan App allows you to collect detailed student information in real time. With one touch, you will access the name and full contact details of the student, as well as key information including which course and country the student is interested in and the date they

plan to begin their course abroad. You will also be able to add comments and rate the lead. Your database will be ready for follow up the moment you walk out the door of the fair.

The application is **free of charge** and is available at the Play and Apple Store. [Click here](#) to check if the app is compatible with your device. Full instructions on how to download and use the app can be found [here](#).

By collecting a student's data via the **BMI Smart Scan App**, your institution will be receiving all information provided by that specific student in the registration form which they complete before entering the fair. The fair registration form and the process is fully GDPR compliant.

All visiting students and parents are clearly informed that by allowing an institution to scan them at the event, they are allowing you to collect their data for post-fair follow up. This information is clearly printed on the registration site, on the subsequent printed ticket they bring to the fair and on the visitor badge they receive at the entrance to the fair. If they do not wish to share their data, they should not allow you to scan their badge.

Once the student information is collected via the **BMI Smart Scan App**, your institution may use this data for fair and reasonable follow-up after the fair. However, for ongoing generic marketing communications, your institution must obtain explicit consent from the student as per GDPR data processing compliance rules and regulations.

By using the **BMI Smart Scan App** your organisation commits to act responsibly, treat this information under GDPR data processing guidelines and exonerates BMI for any misuse or data breaches that may occur from your follow up, or future marketing communication sent to visitors you have scanned at the event.

The privacy policy for the fair can be found [here](#). One week prior to the event you will receive a document with full instructions on how to download and use the app.

IMPORTANT: Manual visitor data scanners will no longer be available to institutions as the scan is not GDPR compliant.

REGULATIONS

Cleaning and storage: Aisles and stands will be cleaned regularly throughout the event.

Insurance: Whilst we take every precaution to protect your property during the event, we are not responsible for any loss or damage and we recommend that you arrange insurance cover for your travel and participation. You are also responsible for insuring against any legal liability incurred in respect of injury or damage to property belonging to third parties. In addition, you should protect your expenditure against abandonment and cancellation or curtailment of the event due to reasons beyond our control.

Security: Every reasonable precaution is taken to ensure the safety and security of personnel and equipment. The premises will be locked overnight, but we cannot accept responsibility whatsoever for any injury, loss or damage or any consequential losses which befall your personnel or their property. BMI recommends that valuables, particularly of a portable nature, are not left unattended on your stand.

5. SHIPPING INFORMATION

■ GENERAL INFORMATION

All boxes must arrive at least 10 days before each event. Please ensure your delivery company is aware of this date and that the fee will be paid by your institution rather than on delivery.

■ SHIPPING OPTIONS

You may use one of the following four methods to ship material to Brazil:

1. We urge all exhibitors to bring all (or as much as possible) of their display and hand-out material with them when they travel to Brazil.
2. Exhibitors having representative partners in Brazil may wish to ship material directly to the representative.
3. You may ship material direct to each city following the instructions below through DHL, Federal Express, UPS or any other major air courier company. **We do not recommend TNT.**
4. Please ensure that the air courier company you use has an official representative in Brazil and that you have the contact details of the representative.
5. BMI **highly recommends** the services of Air Concepts, used by many educational institutions for shipping materials to international exhibitions in Latin America. Air Concepts will ensure that your material is delivered direct to the fair venue. Please contact AIR CONCEPTS directly for rates and further instructions.

DIRECT SHIPMENT / AIR COURIER OPTIONS

If you prefer to send your materials through a courier company of your choice, **please carefully follow the instructions below when shipping material to Brazil**. Customs regulations can be strict, so it is crucial to follow each step described below. Please ensure your material is sent to the address in the [shipping label](#).

INSTRUCTIONS	RULES
Each shipment (consignment) <u>should not exceed</u> the weight of:	16 kg
Be sure that your shipping company is aware that your institution is paying for the shipment and no money will be required on delivery .	✓
All shipments must read on the content section of the airway bill:	“Publication of no commercial value, for free distribution” or “Publicação sem valor comercial para distribuição gratuita”.
Do not ship display materials or any terms which are not printed matters like <u>shirts, pens, etc.</u>	✓
Airway Bill should be accompanied by a Proforma Invoice , which states the content and a value for customs. The value should not exceed an overall sum per shipment of:	US\$ 50
On the airway bill, the section: duties and taxes must be marked to indicate that these charges (if applied by customs) will be paid by the Sender .	✓
Send the material for each city to the person and addresses indicated on the Label Form . All materials will be placed on your booth and each box must clearly indicate:	- Institution Name - Name of the Event: SALÃO DO ESTUDANTE or BRAZIL INTL SCHOOLS FORUM or HIGH SCHOOL VISITS
Each shipment must be sent on a door-to-door basis with taxes and fees paid by the sender (if applicable).	✓
Allow 2-3 days between each shipment as it may be treated as one shipment and will therefore put you over the limit of weight .	✓

VERY IMPORTANT

1. In each city we use a logistics company to receive and check off all the deliveries. The delivery address details and shipping labels for each city can be found in [this link](#). **Please paste the filled labels on each box, in a very clear way. Do not ship any materials directly to the venue.**
2. All boxes will be transported by BMI to the venue and will be on your stand/table on the day of the event.
3. All boxes should arrive at least 10 days before each fair at the delivery address provided on the labels form.
4. If you are not using the official shipping company, you must input all the information on how you shipped your material along with the airway tracking numbers into the [EIS](#) system. With this information, we can closely track your shipment and inform you if there are any problems during customs clearance. Please note that BMI or the designated parcels' recipients are not responsible for any delays or complications that may arise during customs clearance.
5. The deadline for inputting your tracking numbers and shipping information is **March 1st**.
6. If we don't have the tracking numbers by this date, we will not be able to help you with your shipping and you will need to contact your shipping provider directly to try and solve the problem. BMI staff will not be able to help you on the day of the fair.

If you do not follow the above recommendations exactly as explained, your material may be held up in customs, sent back, lost or destroyed.

It is essential that the person who is travelling to Brazil carries a copy of all the following information:

1. Airway bill numbers for each box you have shipped.
2. How many boxes were sent and to which cities.
3. Full contact details of the courier company in Brazil and in your country. If possible, obtain the mobile phone number of the shipping manager in your country and their contact in Brazil.
4. We also suggest carrying a digital PDF of your material in case of any delay in your shipment, so we may be able to help you by printing it locally.

ADDRESSES FOR SHIPPING

If you are sending material for your participation in the fairs, you will be able to **download the [shipping labels](#)**, with the information of the venue where you must send your material. You can also download the labels by clicking [here](#).

Please enter your tracking information in the EIS. We will closely track your shipment and inform you if there are any problems during customs clearance. BMI or the designated parcels' recipients are not responsible for any delays or complications that may arise during customs clearance.

IF YOU ARE PARTICIPATING IN MORE THAN ONE EVENT, IT IS ESSENTIAL THAT YOU SEND YOUR BOXES TO THE CORRECT LOCATION INDICATED BELOW FOR EACH EVENT.

ALL BOXES MUST BE CLEARLY MARKED WITH THE NAME OF THE EVENT AND WITH THE PRE-PRINTED [SHIPPING LABEL](#) ATTACHED.

If you are not using **AIR CONCEPTS** as your shipping company, make sure to use the [shipping labels](#) file.

The labels contain the address and contact information of the individuals designated to receive the boxes for each event. Please ALWAYS use the pre-addressed labels provided.

6. PRINTING IN BRAZIL

You may also choose to print your material locally in Brazil and have it on your stand when you arrive. BMI currently translates and print brochures for over 80 international institutions.

Printing in Brazil is usually higher than in Europe or North America, but you will make huge savings in shipping costs, avoid any customs issues, taxes or delivery problems.

If you are interested in printing locally, please fill out the form to request this service through the [EIS](#), in the Printing Service section. We will then get back to you with a quotation or any additional information we may require.

The deadline for this service is **February 23rd**.

If you are not sure how many or the type of brochures you should bring/print for the events, BMI has prepared a guideline which will help you to make a more precise decision.

[Click here](#) to read more on how to calculate brochures for the events.

7. PRESS AND PR CAMPAIGN

An extensive press and public relations campaign will be conducted for the event in addition to the print, web and direct marketing campaigns.

Therefore, we are offering you the opportunity to receive extra promotion prior to the events in the media, at no extra charge. This will then be added to our event media pack and we may contact you for additional information.

We would welcome information on any of the following subjects:

- Any new courses that you will be promoting.
- Details of courses that are unique to you or will appeal to Brazilians.
- Any special promotions/discounts you may have during the fair.
- Names of any famous past or present students.
- Anything else you would like the media to know or that you feel may be of interest.

To submit information, please [click here](#) to complete the online form with the above information by **February 23rd**.
