If you are interested in ordering a translator, please order through the EIS (Extra Services Section).

3. BRANDING YOUR INSTITUTION

- **SEMINARS:** The 30-minute seminars present institutions with a unique opportunity to promote their programs to a mass audience. They are designed to inform the students, parents and executives about the institutions, courses and countries represented at the fairs. The following items are provided: a laptop, projector and screen, microphone and speakers in the seminar room. All seminars can be ordered using the EIS (Extra Services Section) and are subject to availability. The price for a seminar in each city is USD 700 (subject to availability).
- **CATALOGUE ADVERTISING:** A catalogue is emailed to all pre-registered guests and visitors to the fairs, and widely promoted in our social media accounts. We recommend that you enhance your free listing with an appropriate advertisement, which will give greater impact to your presence at the fairs and will continue to promote your institution after the event. If you want to book advertising in the catalogue, please do it through the EIS (Required Information Section).

Your advertising material should be sent in PDF Format, High Resolution 300 dpi, before 20th September 2023.

4. EQUIPMENT PROVIDED FOR THE UAE FAIRS

STAND CONSTRUCTION

Equipment provided: Each stand will be supplied with: 1 table and 2 chairs; 1 electricity point; 2 spot lights and 1 fascia (name) board above each stand. Corner sites will be open to the aisles with fascia overhead. If you require additional furniture, please email us and we will contact the stand construction company and obtain a price for the additional items required. Please remember to bring a travel adaptor or plug converter as we don't provide them.

Unless it is a corner stand, your stand comes fully fitted with 2 side walls and a back wall. Please [click here](#) for further information and a layout diagram of the stand.

Panels: Double sided tape or similar may be used but must be removed by exhibitors at the end of the exhibition. Under no circumstances must anything be nailed, screwed, glued or painted onto the panels or metal framework of the stand. **All damage will be charged to the exhibitor.** All stands must be clean and ready 30 minutes before the opening of each event. No packing materials or goods will be allowed inside the hall after that time. **Please keep in mind that panels are 0.95m wide x 2.40m tall.**

FULL COLOUR GRAPHICS FOR YOUR STAND

You may have seen many institutions at recent fairs decorate their stands with full colour graphics printed directly on to the stands. This not only looks very attractive and attracts many more visitors to the stand but also avoids the need to carry or ship display material and spending time decorating the stand.

International institutions usually ship expensive stand displays or bring them when they travel to the event. Normally, they do not know local suppliers who often cannot issue proper receipts or only accept payment in local currency.

BMI has therefore negotiated with suppliers in each city so that you may take advantage of having full colour printed panels so that your stand is ready when you arrive. The cost for the panel printing is **USD140 per panel** in each city. This service can be ordered online, using the **EIS**.

The characteristics of the panels are the following:

- Each panel is 0.95m wide x 2.40m tall - Artwork should be exactly this size
- PDF Format
- High Resolution 100 DPI
- You must send a different file for each panel by email to alba@bmglobaled.com
- No corrections can be made once we receive the files for printing
- **Deadline:** 20th September 2023

You can see some typical examples of panel printed stands [here](#).

GDPR AND THE BMI SMART SCAN APP

Lead management and particularly the contact information you collect at education fairs are crucial components of any student recruitment campaign.

The BMI SmartScan App allows you to collect detailed student information in real time. With one touch, you will access the name and full contact details of the student, as well as key information including which course and country the student is interested in and the date they plan to begin their course abroad. You will also be able to add comments and rate the lead. Your database will be ready for follow up the moment you walk out the door of the fair.

By collecting a student's data via the **BMI Smart Scan App**, your institution will be receiving all information provided by that specific student in the registration form which they complete before entering the fair. The fair registration form and the process is fully GDPR compliant.

All visiting students and parents are clearly informed that by allowing an institution to scan them at the event, they are allowing you to collect their data for post-fair follow up. This information is clearly printed on the registration site, on the subsequent printed ticket they bring to the fair and on the visitor badge they receive at the entrance to the fair. If they do not wish to share their data, they should not allow you to scan their badge.

Once the student information is collected via the **BMI Smart Scan App**, your institution may use this data for fair and reasonable follow-up after the fair. However, for ongoing generic marketing communications, your institution must obtain explicit consent from the student as per GDPR data processing compliance rules and regulations.

By using the BMI Smart Scan App your organisation commits to act responsibly, treat this information under GDPR data processing guidelines and exonerates BMI for any misuse or data breaches that may occur from your follow up, or future marketing communication sent to visitors you have scanned at the event.

The privacy policy for the fair can be found [here](#). A few weeks prior to the event you will receive a document with full instructions on how to download and use the app.

Manual visitor data scanners will no longer be available to institutions as the scan is not GDPR compliant.

REGULATIONS

Cleaning and storage: Aisles and stands will be cleaned regularly throughout the event.

Insurance: Whilst we take every precaution to protect your property during the event, we are not responsible for any loss or damage and we recommend that you arrange insurance cover for your travel and participation. You are also responsible for insuring against any legal liability incurred in respect of injury or damage to property belonging to third parties. In addition, you should protect your expenditure against abandonment and cancellation or curtailment of the event due to reasons beyond our control.

Security: Every reasonable precaution is taken to ensure the safety and security of personnel and equipment. The premises will be locked overnight, but we cannot accept responsibility whatsoever for any injury, loss or damage or any consequential losses which befall your personnel or their property. BMI recommends that valuables, particularly of a portable nature, are not left unattended on your stand.

5. SHIPPING INFORMATION

BMI highly recommend the services of Air Concepts, which is used by many educational institutions for shipping of materials to international exhibitions worldwide. Air Concepts will pick up and ensure that your material is delivered direct to the fair venue. Please contact AIR CONCEPTS directly for rates and further instructions.

AIR CONCEPTS USA

Address: 645 SE Central Parkway, 34994 - Stuart, FL – USA. Contact: Dina Colantrello or Jen Jamison. Tel: +1 772 219 2525 Email: dina@airconceptsusa.com / jen@airconceptsusa.com

You may also use one of the following three methods to ship material to the UAE:

1. We urge all exhibitors to bring all (or as much as possible) of their display and handout material with them when they travel to the UAE.
2. Exhibitors having representative partners in the UAE may wish to ship material directly to the representative.
3. You may ship material direct to each city following the instructions below through DHL, Federal Express, UPS or any other major air courier company. Please ensure that the air courier company you use has an official representative in the UAE and that you have the contact details of the representative.

GENERAL INFORMATION

If you are not using AIR CONCEPTS, please note:

1. All shipped boxes should arrive no earlier than 10 days before each event at the delivery address provided on the [labels form](#). **PLEASE NOTE** the CONRAD DUBAI HOTEL, will only accept boxes up to 48 hours prior to the Dubai fair. **Any boxes sent earlier to the Conrad Dubai Hotel will be rejected.**
2. The delivery address details and shipping labels for each city can be found in the **EIS Shipping/Tracking section**

3. If you are not using AIR CONCEPTS, you must input all the information on how you shipped your material along with the airway tracking numbers into the EIS system. If you do this, we will be able to track your boxes and immediately act if there is a problem with the delivery. Without this information we are unable to help you if any problems occur with your shipping;
4. The deadline for sending your tracking numbers and shipping information is 3rd October 2023.
5. If we don't have the tracking numbers in the EIS by this date, we will not be able to help you with your shipping and you will need to contact your shipping provider directly to try and solve the problem. BMI staff will not be able to help you on the day of the fair;

If you do not follow the above recommendations exactly as explained, your material may be held up in customs, sent back, lost or destroyed.

It is essential that **the person who is travelling to the UAE carries a copy of all the following information:**

1. Courier / Airway bill numbers for each box you have shipped.
2. How many boxes were sent and to which fair city.
3. Full contact details of the local handling/courier company in the UAE, and in your home country. If possible, obtain the mobile phone number of the shipping manager in your country and their contact in the UAE.
4. We also suggest carrying a digital PDF of your material in case of any delay in your shipment, so we may be able to help you printing it locally.

DIRECT SHIPMENT / AIR COURIER OPTIONS

You may also choose to print your material in the UAE and have it on your stand when you arrive. BMI currently translates and print brochures for over 80 international institutions.

Printing in the UAE is usually higher than in Europe, but you will make huge savings in shipping costs, avoid any customs issues, taxes or delivery problems.

If you are interested in printing locally, please fill out the form to request this service through the EIS, in the Printing Service section. We will then get back to you with a quotation or any additional information we may require.

The deadline for this service is 20th September 2023.

7. PRESS AND PR CAMPAIGN

An extensive press and public relations campaign will be conducted for the event in addition to the print, web and direct marketing campaigns.

Therefore, we are offering you the opportunity to receive extra promotion prior to the events in the media, at no extra charge. This will then be added to our event media pack and we may contact you for additional information.

We would welcome information on any of the following subjects:

- Any new courses that you will be promoting
- Details of courses that are unique to you
- Any special promotions/discounts you may have during the fair
- Names of any famous past or present students
- Anything else you would like the media to know or that you feel may be of interest

To submit information, please [click here](#) to complete the online form with the above information by **20th September 2023**.
